

California Tour: 24

Universal Studios Hollywood

Visited by millions of people each year, Universal Studios Hollywood is the world's largest film and television studio. For over thirty years, people from all over the world have come to the hill high above Hollywood to *experience* the movies!

At Studio Center, you can be part of the magic of some of Universal Studios' extraordinary films:

[Backdraft](#): Experience first hand the 2,000 degrees of heat and flame created for director Ron Howard's tour-de-force blockbuster movie.

[The World of Cinemagic](#): Go behind-the-scenes to uncover the secrets of the electrifying special effects of Back to the Future, discover the Magic of Alfred Hitchcock and learn about the intricacies of sound effects in Harry & The Hendersons.

[Lucy -- A Tribute](#): Relive all of the laughs and heart warming moments that marked the career of TV's zany First Lady of Comedy, Lucille Ball.

[The E.T. Adventure](#): Hop aboard a star-bound bike and fly home with E.T. to help Cloud Bearers and Jumpums save their planet in an adventurous ride beyond the imagination.

Sitting atop the hill overlooking the entire studio lot, the Entertainment Center is the place where the movies come to life. With shows daily, you can enjoy . . .

[Back to the Future -- The Ride](#): An interactive experience that takes you through the nick of time.

[Wild, Wild, Wild West Show](#): A traditional stunt show that harkens back to the Old West.

[Totally Nickelodeon](#): A live, interactive and Slime-filled experience like no other.

[BeetleJuice'stm Graveyard Review](#): Beetle, Franky, Wolfy and all the other little monsters rock out.

[Rocky and Bullwinkle Show](#): Rocky, Bullwinkle, Dudley-do-Right, even Boris and Natasha star in their own Hollywood movie.
