

Calendar Art Sets: VI

by Herbert G. Price

This installment of our series on Calendar Art Sets is devoted to sets with patriotic themes. I am deeply indebted to Tom Gray for providing photo copies of many of the sets in his RMS Convention Sets collection. Not only did his work help me determine which covers belong together in a set, it provided the dates when a set was available. If you know of any sets I have failed to include, please let me know and I will include the missed sets in a future listing. Also does anyone know the manufacturer of the set I have listed as "unknown"? The manumark on the covers I have say "Made in USA".

The next category of Calendar Art Sets I wish to list are those picturing antique automobiles. I know there are several sets I am lacking complete information about. Please, if you have any information to share: Herbert G. Price, 1117 South Sixth Street, Burlington Iowa 52601
