

Interesting Covers: I?

I had the good fortune to be able to go through an old collection acquired by Loren Moore, CA, and happened upon some...*interesting covers!*

Top, 1st - This is a Kaeser & Blair cover that has the footer *twice*, at the bottom *and* the top.

Top, 2nd - This is a Safety First with an mm of Resolute Paper Products Corp./New York

Bottom, 1st -30-strike Oname cut to a 20-strike.

Bottom, 2nd - mm is Merchants Match Co. I have 7 listed. I believe all or most have Calif. advertsiers.

Bottom, 3rd - "Match Aristocrat" - a Colgate/Diamond trademark

Bottom, 4th - You probably can't read this one, but under the Superior mm, it says "Matches By Meitus". I have never seen that before! Harold Meitus was founder of Superior Match Co.
