

## ...And More Elks!

**John Mathot, MA:** Ref your May/June article on Elks, here are the earliest Elks and I have. I also have a Safety First Elks #3 in San Francisco, not shown.

*Ed. Included here are:*

- Top left: full-book DQ (Lodge No. 444)*
- Top right: Universal XL (tall) (Lodge No. 46)*
- Bottom #1: Universal XL (tall) (no Lodge No.)*
- Bottom #2: DQ flat (no Lodge No.)*
- Bottom #3: Lion SF (Lodge No. 966)*
- Bottom #4: DQ (Lodge No. 36)*

*Hmmm! Nice! I wonder how many more there are out there. And I wonder what might have been the earliest Elks cover and just how old that issue was!*

*Thanks, John. Great covers!*
