

...And More Elks!

John Mathot, MA: Ref your May/June article on Elks, here are the earliest Elks and I have. I also have a Safety First Elks #3 in San Francisco, not shown.

Ed. Included here are:

- Top left: full-book DQ (Lodge No. 444)*
- Top right: Universal XL (tall) (Lodge No. 46)*
- Bottom #1: Universal XL (tall) (no Lodge No.)*
- Bottom #2: DQ flat (no Lodge No.)*
- Bottom #3: Lion SF (Lodge No. 966)*
- Bottom #4: DQ (Lodge No. 36)*

Hmmm! Nice! I wonder how many more there are out there. And I wonder what might have been the earliest Elks cover and just how old that issue was!

Thanks, John. Great covers!
