

Errors XII: A Final Salute to Errors!

You gotta love 'em!

1. *Top left* - Severely miscut
2. *Top right* - Off-center printing. The grey, here, is out of kilter.
3. *Bottom 1st* - Missing text (something obviously came between the cover and the printer)
4. *Bottom 2nd* - Double striker
5. *Bottom 3rd* - Severely miscut so that the cover is now a parallelogram rather than a rectangle. This cover is also miscut in the usual sense, as well.
6. *Bottom 4th* - Here's an unusual type of over printing. The foil used on the front panel has splattered onto the back panel, which is what the smudge is on the left side of the back panel.
