

Twenty Reasons Why Most Collectors Are Men

1. Men have a unique sense of history...since they make most of it.
2. Women are smarter.
3. Men have more time to waste.
4. Men have more money to burn.
5. Women are busy taking care of business.
6. Women have already learned at an early age not to play with matches.
7. Women get the men started on collecting because it keeps them out of the kitchen.
8. Men tend to be titillated by stripping matchbooks.
Corollary 8a. Men are easily excited.
9. Collecting is really a power thing.
10. Women are afraid of breaking their fingernails.
11. Men tend to compartmentalize more.
12. Women are more oriented toward the future than the past.
13. Men are less upset about seeing things go up in flames.
14. Women are too busy shopping.
15. Men have a natural propensity for redheads.
16. The hobby has no sales.
17. The hobby has no coupon days.
18. Men like things that explode and burn.
19. Men are drawn to things that are too hot to handle.
20. Women would rather collect diamonds and furs.

[That's a direct quote from my ex-wife]
