

It's All In

What can I say? The vast majority of us don't pick our names, so you can't hold that against them...but people *do* pick their jobs...and sometimes the combination is just downright laughable.

But first, what about names, themselves? Parent! What were you thinking?! *[Well, from many of the names below, one can imagine what the parents were thinking]*. Take a look at these sample names, all arguably real:

Adam Baum Al Bino Al Dente Al Fresco Al K. Seltzer Alf A.
