

Canadian Club Whiskey Sets

There are actually four different sets here, or, perhaps, one set with four different variations, depending on your perspective. The basic set consists of 12 Universal front-strike 20-strikes.

In each set, the outside is the same (as shown below), with the inside of each cover having a different drink recipe: - 1. A Bronx Cocktail 2. Cablegram Cocktail 3. Canadian Club Sour 4. Manhattan Cocktail 5. Cowboy Cocktail 6. Colonial Cocktail 7. Tom Collins 8. Old Fashioned 9. Ink Street Cocktail 10. Mamie Taylor 11. Walker Gin Fizz 12. Dry Martini. All sets are from the 1930s.

[Note: Pictured here is #12 of Set #2. This particular cover happens to be an off-center printing error, but the reader can easily see what the outside of the cover is supposed to look like]
