

Lips

Here's a category we *all* have!...Lips! Now, what else can I possibly say about...Lips?!

Well, we all know that loose lips sink ships, so they're very powerful and potentially very dangerous...I, for example, have a habit of putting my foot in my mouth...through the use of...Lips!

Only a small, elite group collects...Lips! Actually, Cindy Saylor, CO, is the only person on earth that I know of who does...but there are probably a few others.

As can be seen here, they *do* seem to be pretty attractive and eye-catching covers...Maybe Cindy has something in collecting...Lips!
