Nice Player's Tobacco Set

Here's nice set from Player's tobacco. It's made up of three 40-strike covers by Eddy Match, Canada. Shown here are all three covers. plus the inside that is on all three.

John Bachochin, OK, sent this to me as part of a trade. It made a nice addition to to my Tobacco collection.

Player's, by the way, put o u t significant number covers over the years, almost all Canadian and foreign 30s. 40s, a n d boxes.
