*\*I put swapfests, conventions, meetings under 'Activities'*

*\*I put anything about collectors under 'My fellow collectors', including friendships, socializing, etc.*

*\*Covers includes availability, variety, historical and cultural significance, etc.*

*\*Information includes availability, sharing, lists, etc.*

No real surprises here, except that covers ranked near the bottom!

If you have a good polling question, please send it to the Ed., and I'll see what I can do.
