

KNOW YOUR COVERS!

This is a Diamond box trademark, one of many produced by Diamond, the oldest existing domestic match manufacturer, and it's been around for quite a long time. It was introduced c. 1905, and I believe it's still going, although I might be mistaken on that.

If memory serves me correctly, it also comes in more than one size. Someone in New Moon can probably come up with a few more details on this one.
