## KNOW YOUR COVERS!

**Green Hat** was an Albert Pick Hotels trademark, manufactured by Lion Match Company; 1926-c. 1927.

Because of their age and rarity, these covers are greatly prized by collectors. One certainly doesn't see them often, and certainly not offered for sale. If you collect long enough, a few may come your way, but if you want these beauties...you'll have to really purse them.

There are 81 currently listed. If you have any, I'd appreciate scans so I can see if they're unlisted.
