

## KNOW YOUR COVERS!

# Combos

“Combo” is a generic hobby term, rather than a specific trademark. It’s usually a matchcover + postcard from the same business or location, but the second item could also be a beer coaster, printed napkin, etc.

Combos often make very attractive displays, and it’s common to see them in display competitions, such as at conventions and swapfests, and wherever collectors are making demonstrations, such as at ‘show & tell’ presentations.

Walt Wecker, IL, had a rather amazing 1,600
