2005 Box Set From South Africa

Here's a nice color-photo box set from South Africa, issued in 2005 by South Africa's famous Lion Match Co. Opened, each measures 116x164 mm. It's a very attractive set, but I haven't been able to figure out what the theme is.

The six boxes feature "Dolphin", "Whale", "Penguin", "Hole-In-The-Wall", "Protea", and "Simonstown". Each box is numbered.
