Euro 2004 Soccer Box Set From France

For Sports collectors, here's a 15-box set from Swedish Match.

This is a set of five (4 shown here) in three different colors, yellow, green, and red, for a total of 15 boxes. I don't know if there are five different soccer scenes or 15...five I would imagine, in the three different colors.

Boxes measure 113 x 53 mm when opened.

[Special thanks to Hans Everink, Netherlands for these.]
